Description Of Work:

They completed all my old tax returns in addition to this years. They handled the IRS and State so I would not have to and negotiated a repayment plan. They are also trying different methods to have taxes removed for a very old period of time.

There are no words to describe how fantastic Amy is. She has helped me with so many of my IRS problems. She will sometimes spend hours on the phone with them. She is responsive, helpful and always looking out for her client.

I owe a great deal of money from the early 2000's due to my deceased husband. As he was very abusive and both he and I were very ill (in my case, open hear surgery) (in his case a stroke). She suggested we use the Innocent Spouse procedure which could get me out of alot of the old tax bills. She helped me fill it out and submitted it to the IRS and continues to track its progress. When she found that there was a problem with the NC returns, ie missing returns, she quickly had them prepared and filed and will work with the state to get this resolved. Best part is you can always reach her. If she isn;t there she will return the call promptly.

She is a very dedicated, concerned and helpful person. I recommend this company highly. I have been extremely satisfied.

Day one they were there for any/all questions necessary to guide us in tax situation. Always polite and helpful beyond what we could have asked for. Amy Higgins was very reassuring as we were just at a loss and needed guidance in dealing with the issue.. We would very much recommend this company to anyone. Knows her job well.
